

Oracle9iAS Forms Services: Deploy Internet Applications

Duration: 2 Days **Course Code: O9IASFS**

Overview:

In this course, students learn about the architecture in Oracle 9iAS Forms Services, its benefits, and how it can be configured, tuned, and managed to deploy existing forms on the Web without modifications. Students also gain hands-on experience deploying Web-based applications by using secure and non-secure protocols while following guidelines for successful implementation.
